C.R.B) N 3/9

SIR,

With reference to General Secretary's official memorandum No.455-554/C.R.B.10-34-1 dated 13-7-34, intimating that the practice of disposing of vacancies by weekly advertisement in the Gazette through the C.R.B. will be continued only with regard to vacancies which have occurred prior to 1st July 34 and that all vacancies occurring after that date should be brought under the operation of the New Rules, but that pending the issue of approved lists of candidates by the C.R.B. under the new rules, the vacancies, may, if necessary, be filled up, in the meanwhile adhering to the principle that only candidates of Backward classes should be appointed in special vacancies etc., I have the honor to state that it is not clear from the Official Memorandum whether all the vacancies lasting for more than a month should be brought on the vacancies' register in the Unit Office and classified as Special and General even though the vacancies are less than 3 months. I request that the point be made clear.

I have, however, issued instructions to all the subordinate Officers to report particulars of all vacancies of more than a month's duration that have occurred since 1st July 34 with particulars of persons appointed therein, in case any arrangements have been made and to continue to report all vacancies as they occur, so that they may be classified

as

as Special and General and the nature of the vacancies intimated to them.

I have the honour to be.
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
Shimoga District.
